Photobooks

We have a huge variety of books available to offer.

We have two books we like to use:

Firstly, a classically bound book, with a window in the cover for a photograph. This is available in Black, Royal Blue, Burgundy, White, Tan, Baby Blue, and Baby Pink. Measuring 28 x 21cm they have 26+ pages and start at £50.

Secondly, a Swarovski Crystallized Elements book, ideal for wedding photographs. This measures 29 x 22cm, comes in a beautiful gloss black finish, and can have the cover personalised with photos and text. It comes with 26+ pages and starts at £70.

**Both are Hardback books.*

***There is far more available than we could list here. Items such as mugs, key-rings, calendars, mouse-mats, and much more, can be sourced. Prices may vary slightly, please note we provide a FREE consultation and estimate service. Please feel free to get in touch with any questions you may have.*
