A rough guide to how things could be worked on the day (open to discussion).

Pre wedding meet-up (about a month before), to discuss requirements. This can be done as a one-off or on a couple of occasions. Whatever is necessary to calm the nerves.

On The Day

As early as 8.30am

- Getting Ready
 - for example, bride & bridesmaids preparing make-up and hair?
 - the groom, best man and ushers with ties and boutonnieres?
- Shots of the wedding venue
- Arrival (with cars perhaps)
- Post ceremony
 - signing "the book"
 - family portraits (formal and otherwise)
 - individual portraits
 - bride & groom shots (formal and otherwise)
 - detail shots of rings / bouquets / something borrowed etc.
 - requested pictures
- The reception and/or meal
 - pictures of the room laid out before hand
 - various party shots
 - other candid shots
 - any other guests you would like to be photographed with
 - the first dance
- Relaxed informal shots will be taken throughout the day

Up to 8.30pm

- Many other requests can be catered for.
- We will then upload a set of edited thumbnail images onto your own webpage for you to look through and decide what you would like to have.
- Included in the price is an A4 size photo-book to commemorate your day.

£350 including VAT

You can then pick what you like from our great value price list.

We look forward to helping make your day a special one and would love for you to choose us to create something to remember it by.
